

EBICA

Ebica is a traditional high quality espresso maker. It is an entry-level machine that does the job excellently: a tasty espresso, or if the request is for cappuccino, caffè latte or other espresso based drinks.

Ebica is suitable for smaller cafés and restaurants as well as work places where there is a desire for a cup of freshly brewed espresso. Ebica is a robust and extremely user-friendly machine that has been developed and manufactures for many years, which makes it a reliable and stable machine that can be trusted at all points.

EB-61 Group heads

WITH A PASSION
FOR COFFEE

Crem International has two very strong brands – Coffee Queen and Expobar. Under the brand Coffee Queen, we have brought together all our machines for freshly brewed and instant coffee, water and juice. Under the brand Expobar, we offer our top-quality espresso machines. All our machines are made by skilful and experienced staff at our own factories in Sweden, Spain and China. With these two brands, we offer the widest range on the market and can satisfy all needs and wishes.

A strong brand of Crem International
